About Us

Our mission is to provide our customers with high quality delicious drinks at very affordable prices. We believe in working effectively with our partners in achieving this and are proud of the contributions Slurps have made in empowering our workers along the way.

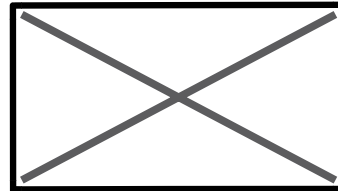

Customer Satisfaction

We are proud of the feedback we've received from our customers. Our drinks are continuously accepted well with mostly positive feedback. We strive in listening to areas of concern expressed by our customers and see them as opportunities to improve our business and help us grow stronger.

Ethical sourcing

We ensure all our ingredients are ethically sourced in a responsible and sustainable way where minimising negative environmental and social impacts are made a priority during the sourcing process.

Our employees

All our employees work under safe and fair conditions as attested by the Health and Safety Executive in the United Kingdom. We highly value our workers as the experienced and skilled professionals that they are.
